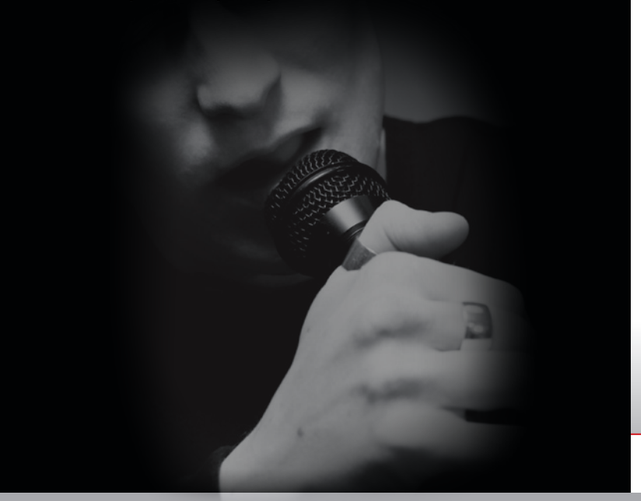
Custom Mic Topper For Use with Any Mic Stand (US Thread) and One-hand Microphone Stand Clutch For Use with Live Series Mic Stands

Ultimate Support Custom Mic Toppers feature detailed, themed designs that are intended to showcase the personality of singers from every walk of life. Transform your boring mic stand into a personality-driven mic rig that drips with flair by simply adding a Custom Mic Topper to the top of it! While the Custom Mic Topper looks great and works fine on any mic stand (US thread), when placed on a Live Series mic stand from Ultimate Support, the Custom Mic Topper becomes a one-hand clutch that lets you adjust the height of your microphone with a quick, simple squeeze!



Customize Your Mic Rig

Are you ready to add a little personality to your mic rig? Put any one of the Custom Mic Toppers from Ultimate Support on top of your favorite mic stand (together with your mic clip and microphone), and you're ready to display your personality to the world through your voice, performance, and mic rig!

What's Your Personality?

From tough to classic, tragic to destructive, your mic stand can now be an extension of who you are as a singer and an artist. Transform your boring mic stand into a personality-driven mic rig that drips with flair. Regardless your personality, there's a Custom Mic Stand Topper to match!

Plays Nice with Any Mic Stand - Even Better with Live Series

You can display your personality on any mic stand with any of the Custom Mic Topper (US thread). However, when placed on a Live Series mic stand from Ultimate Support, the Custom Mic Topper becomes a one-hand clutch that lets you adjust the height of your microphone with a quick, simple squeeze!

Take It With You

You can leave your Custom Mic Topper on your mic stand or toss it in your gig bag at the end of the night. Custom Mic Toppers are made from die-cast aluminum so they're rugged enough to take whatever you throw at them.
